Setting Up Application Environment
Setup Mobile Application Environment

Team ID	PNT2022TMID03043
Project Name	CONTAINMENT ZONE ALERTING APPLICATION

Install Android Studio:

Install Type

Choose the type of setup you want for Android Studio:

- ● **Standard**
  Android Studio will be installed with the most common settings and options.
  Recommended for most users.
- ○ **Custom**
  You can customize installation settings and components installed.

[Previo...] [Next] [Cancel] [Finish]

Welcome
Android Studio

Welcome back! This setup wizard will validate your current Android SDK and development environment setup. You will have the option to download a new Android SDK or use an existing installation. Once the setup wizard completes, you can import an existing Android app into Android Studio or start a new Android project.

[Previo...] [Next] [Cancel] [Finish]
